Hello members,

Summer is here and things are hopping again in Rosarito! Welcome to our new members! Email us and let us know what questions you encountered as you moved to your new community so we can compile some answers and resources to help newcomers. Your board members and their contact information is always listed in the Communicator, our monthly publication.

Our speaker for our August general meeting will be Kathe Sauceda of IMAC who co-hosted our Summer Solstice/Fathers’ Day event in June. Our general meetings are open to all who would like to learn about the community and non-profits serving the community. We welcome you! It is held the first Saturday of every month at 10:00 a.m. at Rosarito Beach Hotel. Come early, have breakfast and meet your neighbors. Our members’ BBQ will be on Saturday, August 21st at 1:00 at Los Amigos (mark your calendars!). This is our annual tribute and thanks to all USBC members for your support throughout the year. If not a member yet, join us and volunteer your experience to make the “good” happen for your community.

A very special celebration of life for our longtime USBC member and beloved husband of our past president, Judy Westphal, will be held on August 27th. It will be limited to the first 50 people so reserve your spot with Judy Westphal. This very unique couple has helped sustain and weather USBC through many lean years. Their memorable and extraordinary service to this community is a lasting model for us all.

Your board is working hard to get things happening again. Join us in this endeavor by volunteering. Elections are upon us again and we are searching for dedicated individuals who want to make things happen. We need individuals who are not afraid of hard work and want to make this a better community for all of us. Are you that person? If so, we need you and your community needs you! Voting will start in November and if you are interested in running for a position, please let me know. It is a very fulfilling job to help others in our community and we are a great vehicle for meeting other ex-pats as well as educating ourselves on various topics and organizations. We are a social organization with a moral conscience and love to have fun expressing it.

It’s not too late to join us on our cruises in March 2022. We always have a great time on these cruises; thanks to Larry Norman, our cruise director. Check it out on our website, www.unitedsocietyofbaja.org

USBC will continue to follow all safety protocols for COVID for our events and we look forward to seeing you soon.

Please continue to be safe and aware. As always, Linda’s and my prayers are with you all.

God bless,

Wayne Denniston, President

COPPER CANYON ~ RARAMURI EXPEDITION 7 DAY TOUR

Sandy, of Sandy’s tours, is looking to arrange a trip for the USBC members in 2022. If we can get enough members, we can make it a trip of our own.

A journey through Copper Canyon is one of the most rewarding journeys you can take in Mexico. The train ride itself is remarkable, the scenery is amazing, and the whole experience will become a lifetime memory for you and those traveling with you. This guide will give you an insight into what the Copper Canyon can offer and, hopefully, entice you to take this wonderful journey one day soon.

Train Ride. Much of this magnificent canyon is solely accessible by the Copper Canyon Railway. This feature alone earns the trip through the canyon a reputation as the world’s most scenic train ride. Because it covers a distance of over 400 miles, the trip takes 16 hours one way. This railroad line was built in 1870 and runs from Kansas to Texas. Then, it continues across the border to Chihuahua and Los Mochis. Finally, the line reaches Topolobambo, one of the largest natural harbors in North America. Ninety-one years later the railroad became complete, as the tracks were joined at Temoris Station on the southwestern edge of the canyon. This is considered one of the greatest engineering feats of the 20th century. Today’s route through the Copper Canyon takes passengers from sea level to over 8,000 feet in elevation. It traverses through 86 tunnels, and across 39 bridges. The longest tunnel on the course measures nearly 6,000 feet, while the highest bridge towers 340 feet over the Chinipas River. Join us aboard the CHEPE Express traveling in 1st class and exclusive access to the all-new Terrace car.
