PRESIDENT’S MESSAGE

Jim Henshaw
jim@henshaw.com

I am hoping that everyone has survived all the people here in Rosarito for Spring Break as well as Semana Santa (Easter Week and Celebrations). Normally and as for this Year we have twice to three times the number of Tourists then normal for this time of year, coming down from all over the world to spend a week or two in our wonderful climate and Sandy Beaches making driving through or near downtown almost impossible to get through with significant time delays if you are attempting to drive in or around the downtown area. Hopefully, everyone stayed away from downtown during these weeks, if not, I am sure you have the horror stories to go with them.

I would like to thank those of you who attended our April 6, 2019 General Meeting at the Hotel Calafia were I believe the Food and Service was much improved by the Hotel thanks to the efforts of Milo Goehring who took the time to have in depth conversations with the Hotel about our dissatisfaction on the 17th of March.

This Month of May is full of Mexican and US Holidays starting the Month off with May 1st is Mexican Labor Day, and of Course May 5, the famous Cinco de Mayo Celebrations and for all of you and kids May 12th is Mother's Day (Not one to Forget). Then ending the month out with Memorial Day, the 27th. Memorial Day is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971.

Cont. May's Potluck on May 18th at 1 pm at La Maroma, across from the Burger King on Benito Blvd, by myself and who ever else I can get to help me. Our Theme will be a late Cinco de Mayo. Please bring your best Mexican Dish or Dishes. A Contest for the Most Transitional Outfit wins a Prize. We will also we will Honor our Mothers in the House this Day as well with Roses. Please contact me at 619-730-2121 or email at; jim@henshaw.com. I looked forward to seeing you at our upcoming General Mtg on the May 4, and our Potluck on May 18th.

DEPARTURE FROM QUINTA PLAZA PARKING LOT

Cinco de Mayo, (Spanish: “Fifth of May”), also called Anniversary of the Battle of Puebla, holiday celebrated in parts of Mexico and the United States in honour of a military victory in 1862 over the French forces of Napoleon III.

When in 1861 Mexico declared a temporary moratorium on the repayment of foreign debts, English, Spanish, and French troops invaded the country. By April 1862 the English and Spanish had withdrawn, but the French, with the support of wealthy landowners, remained in an attempt to establish a monarchy under Maximilian of Austria and to curb U.S. power in North America.

On May 5, 1862, a poorly equipped mestizo and Zapotec force under the command of General Ignacio Zaragoza defeated French troops at the Battle of Puebla, southeast of Mexico City; about 1,000 French troops were killed. Although the fighting continued and the French were not driven out for another five years, the victory at Puebla became a symbol of Mexican resistance to foreign domination. The city, which was later renamed Puebla de Zaragoza, is the site of a museum devoted to the battle, and the battlefield itself is maintained as a park.

The day is celebrated in the state of Puebla with parades, speeches, and reenactments of the 1862 battle, though it is not much noticed in most of the rest of the country. In the mid-20th-century U.S., the celebration of Cinco de Mayo became among Mexican immigrants a way of encouraging pride in their Mexican heritage. Critics observed that enthusiasm for the holiday celebration did not take off with a broader demographic until it was explicitly linked with the promotion of Mexican alcoholic beverages and that many U.S. festivities tended to both perpetuate negative stereotypes of Mexicans and promote excessive drinking.

Cinco de Mayo is not to be confused with Mexican Independence Day, which falls on September 16. The latter holiday was established in 1810, some 50 years before the Battle of Puebla occurred.
